

## **RMIT-NUAA Joint Workshop 2019**

**18<sup>th</sup> – 19<sup>th</sup> September 2019 Melbourne, Australia**

### **Call for Papers**

The joint workshop aims at further fostering collaboration of RMIT and NUAA on emerging topics of mechanics and aerospace engineering. The workshop will cover the presentation and discussion of research progress as well as current projects conducted at both universities.

The RMIT and NUAA joint workshop will be held at Melbourne from 18<sup>th</sup> to 19<sup>th</sup> of September 2019. A specific goal is to strengthen the postgraduate and postdoctoral exchange programs between two universities. Therefore, the contributions and participation of postgraduate students (Master & PhD) are strongly encouraged.

The **general topics** of the workshop include but are not limited to:

- Aerospace materials and multifunctional composite structures
- Unmanned aircraft systems design and field operations
- Aerodynamic loading and multidisciplinary design and optimisation
- Avionics, air traffic management and mission systems

### **Abstract Submission**

You are invited to submit an abstract to one of the workshop topics. An electronic version (in MS-Word or PDF format) of a two-page abstract with paper title, author names, affiliations, and the corresponding author's contact should be submitted to [akbar.khatibi@rmit.edu.au](mailto:akbar.khatibi@rmit.edu.au)

### **Abstract Deadline**

20 June 2019

### **Registration:**

The registration fee is A\$300 that covers the workshop activities and proceedings.

### **Sponsors:**

- Royal Melbourne Institute of Technology (RMIT)
- Nanjing University of Aeronautics & Astronautics (NUAA)

### **Organisers:**

- Aerospace Engineering and Aviation, School of Engineering, RMIT University
- State Key Laboratory of Mechanics and Control of Mechanical Structures, NUAA

**Chairman:** Prof. Pier Marzocca

**Co-chairman:** Prof. Cunfa GAO

**Organiser:** A./Prof. Akbar Khatibi
